### EDUCATION

#### College of Information Technology

2019 - 2022

- Information Technology
- TOEIC Score: 720

### SKILLS

- **Frontend:** HTML, CSS, JavaScript, TypeScript, jQuery, ReactJS, Redux, Redux Toolkit, React Query, Zustand, Material UI, Ant Design, TailwindCSS, SCSS
- **Backend:** Node.js, MongoDB
- **Tools:** Git, GitLab, Photoshop, Figma, GSAP, CI/CD

### PROFILE

I am a Frontend Developer with a growth mindset and a strong passion for building clean, user-friendly interfaces. I have built real-world projects using React, Next.js, and modern UI frameworks. I continuously sharpen my skills through self-learning and practice. I'm motivated, adaptable, and goal-oriented — aiming to grow into a Team Lead role within the next 2–3 years while delivering high-quality, scalable web applications.

### WORK EXPERIENCE

#### Military Service

02.2023 – 02.2025

- Completed mandatory military service. Continued self-learning and worked on personal coding projects.

#### Frontend Developer – FOODCONNECTION

09.2022 – 01.2023

- Developed web interfaces using HTML, SCSS, JS, TailwindCSS, Photoshop
- Collaborated with the Backend team to integrate APIs
- Worked closely with the backend team to integrate APIs, ensuring real-time data synchronization

#### Fresher Frontend – Jizaka Company

09.2021 – 08.2022

- Developed web interfaces using HTML, SCSS, JS, Photoshop

#### Internship – Mevivu

05.2021 – 08.2021

- Developed web interfaces using HTML, SCSS, JS, Wordpress

### PROJECT

#### Ecommerce Website

**Duration:** 01/2025 – 02/2025

**Role:** Fullstack Developer

**Tech:** ReactJS, Zustand, TailwindCSS, NodeJS, MongoDB

##### Features:

- Developed a full-stack e-commerce platform with responsive UI and real-time backend integration.
- Implemented an admin dashboard with user, product, order, and discount management.
- Integrated features include order tracking, inventory control, sales analytics, and coupon generation.
- Built a seamless shopping experience with cart, checkout (cash only), and discount code application.
