- **Backend:** Node.js, MongoDB
- **Tools:** Git, GitLab, Photoshop, Figma, GSAP, CI/CD

PROFILE

I am a Frontend Developer with a progressive mindset and a strong eagerness to learn. Even during my mandatory military service, I remained committed to improving my skills by self-studying and participating in freelance projects. With over one year of hands-on experience and a clear career direction, I aim to grow into a Team Lead position within the next 2-3 years.

WORK EXPERIENCE

Military Service	02.2023 - 02.2025
Frontend Developer - FOODCONNECTION <ul style="list-style-type: none">• Developed web interfaces using HTML, SCSS, JS, TailwindCSS, Photoshop• Collaborated with the Backend team to integrate APIs• Worked closely with the backend team to integrate APIs, ensuring real-time data synchronization	09.2022 - 01.2023
